

## **NYSSCSW - Committee for Creativity and Transformation: 2 Events**

Spring brings new beginnings and The Creativity and Transformation Committee is pleased to offer four free admissions to any member who has attended at least one of our meetings on a come-first basis to:

**Where: The Morgan Museum and Library at 36th Street and Madison Ave.  
What: Exhibition of Marcel Proust's Swann's Way and Drawing and Surrealism.  
When: Date and time TBA---Consensus will determine the date --- Friday at 3:30pm on April 5, 12, or 19th.**

**Note, there are a lot of parallels between clinical practice and the Surrealists use of automatic drawing and free association, etc. and Proust's record of his observations.**

Please go to [www.morgan.org](http://www.morgan.org) for more information.

**Our next event is still in formation.** We are searching for an outdoor place, accessible to public transportation, in which we can get together to draw, paint, photograph, write, exchange ideas, etc.

Suggestions for a gathering place can be anything --- from Central Park, areas near the boat basin in Lower Manhattan to an, as yet, unnamed retreat on Long Island.

**If interested, please contact Diane Isaac, intern, at [dodoisaac@gmail.com](mailto:dodoisaac@gmail.com)**  
Send your name and contact information along with your preferred date for the museum visit.
