## **Counseling The Bisexual Client**

**DATE:** Saturday June 6, 2015

**TIME:** 9:00AM Practice groups meet

10:00 Refreshments and networking

10:15 Business Meeting

10:30-12:00 Speaker

**LOCATION:** Sterling Community Center, 29 Sterling Avenue White Plains, NY

**PRESENTER:** Betty Schleyer, PhD

This presentation will explore the specific issues that clinicians need to be aware of in doing treatment with bisexual clients.

### **About the Presenter:**

Dr. Schleyer obtained her Ph.D. from Fordham University followed by two years of post-graduate training at the Family Institute of Westchester. She has more than 30 years of experience as a therapist. and has worked for the last 16 years for St. Vincent's - A Division of St. Joseph's, as well as private practice. She is a specialist in treating the LGBT population, in particular bisexual and transgender clients. She works with people over 18, couples in Mixed-Orientation Marriages, and families struggling with transition and coming-out issues.

**Free with paid membership dues. Non-members: \$10.00**
